Offer the advantages of a KOHLER generator:

- Every KOHLER generator is extensively quality tested – before model release *and* before leaving the factory. The result is proven reliability.
- In as little as 10 seconds, it automatically powers AC, heat, sump pump and major appliances. All at the same time.*
- Your customer gets a premium 5-year/2,000-hour limited warranty.
- A KOHLER generator creates steady, high-quality power, which means sophisticated electronics are protected from erratic power surges.
- Hospitals, nuclear power plants, even the National Weather Service trust in hard-working, long-lasting KOHLER generators.
