

KOHLER® Generators

National Consumer Summer Sales Event

FREE 10-Year Extended Warranty + Up To \$1,000 Rebate*

with a qualifying KOHLER generator purchase between July 23 – September 10, 2026
(up to a \$2,400 USD / \$3,400 CAD MSRP Value!)

Terms and Conditions

*This promotion provides a free 10-year extended warranty, with a maximum retail value of up to \$1,400 USD based on the manufacturer's suggested retail price for such warranty coverage, on all qualifying KOHLER® air-cooled and liquid-cooled generator** purchases up to 60kW. An additional \$1,000 USD manufacturer rebate is available only to consumers who purchase eligible liquid-cooled generator models***. The total maximum promotional value is up to \$2,400 USD, based on the combined manufacturer's suggested retail value of the extended warranty and rebate for qualifying models, subject to the terms and conditions described herein.

This is a limited-time offer available only to consumers who order a qualifying KOHLER generator between **July 23 and September 10, 2026**, through a participating certified Kohler partner (certified partner, certified installer, or certified wholesaler). To be eligible for this promotion, the generator must be installed and registered by a participating certified Kohler partner no later than **December 31, 2026**.

The 10-year extended warranty applies to the generator only and does not include the automatic transfer switch, for which a separate extended warranty may be purchased. Generators utilized in off-grid or prime power applications are not eligible for extended warranty coverage. Eligibility for the extended warranty is contingent upon installation and registration by a participating certified Kohler partner. Generators installed or registered by a consumer or by a non-certified partner are not eligible. The extended warranty is subject to the standard terms, conditions, limitations, and exclusions of the applicable KOHLER warranty program, which will be provided at the time of registration or upon request.

For consumers who purchase qualifying liquid-cooled generator models, the \$1,000 USD manufacturer rebate will be issued in the form of a digital catalog reward, which include options such as Mastercard®, Visa®, or other retailer gift cards, and will be delivered to the consumer's designated email address. Rebate fulfillment will be sent from noreply@yourdigitalreward.com. The consumer must provide accurate contact information, including a valid email address, to the participating Kohler partner at the time of purchase. No rebate submission is required by the consumer; all required documentation will be submitted on the consumer's behalf by the participating Kohler partner. The manufacturer is not responsible for delays, failures, or misdelivery of rebate fulfillment resulting from inaccurate, incomplete, or untimely information provided by the consumer or participating partner.

This offer applies to new generator purchases only and is not available through eCommerce or retail businesses, except Kohler certified partners participating in the Home Depot installation program. Kohler resellers are not eligible for this offer. This promotion may not be combined with any other offers, discounts, or promotions and is void where prohibited by law.

Please allow four to eight weeks from the date of submission for delivery of the free 10-year extended warranty and, if applicable, the \$1,000 USD manufacturer rebate. The manufacturer reserves the right to modify, suspend, or cancel this promotion at any time; however, that any such modification, suspension, or cancellation will not affect consumers who have already satisfied the eligibility requirements for the promotion prior to the effective date of such change.

****Valid Products for Free 10-Year Extended Warranty:** KOHLER 10RESV(L), 12RESV(L), 14RCA(L), 20RCA(L), 24RCLA, 26RCA(L), 30RCLA, 38RCLC, 48RCLC, 60RCLB generators.
